SUMMARY

Passionate Front-End Web Developer with strong skills in HTML, CSS, JavaScript, and Python. Experienced in building responsive and user-friendly web interfaces, applying modern design principles and clean coding practices. Skilled in organizing and styling content, implementing interactive features, and enhancing user experience through semantic markup and CSS techniques. Adept in problem-solving, team collaboration, and time management, with a strong foundation in both technical and soft skills essential for front-end development roles.

EDUCATION

Bachelor of Technology in Computer Science Engineering (AI&ML) <i>Mohan Babu University</i>	2022 – 2026 Tirupathi
Intermediate-Mathematics, Physics, Chemistry <i>Sri Chaitanya Junior College</i>	2020 – 2022 Tirupathi
State Board of Secondary Education <i>Allwyn mount carmel english medium high school</i>	2019 – 2020 Nandalur

SKILLS

- **Languages:** Java, Python, SQL, JavaScript, HTML, CSS
- **Tools/Frameworks:** Git, VS Code
- **Soft Skills:** Communication, Teamwork, Problem Solving, Time Management

PROJECTS

E-Commerce Platform [↗](#)

Amazon Clone

- Developed an Amazon-like website using HTML and CSS, featuring product listings, detailed product pages, and a shopping cart system.
- Applied HTML for content organization and CSS for design consistency, ensuring a well-structured and visually coherent interface.
- Gained hands-on experience in building scalable web pages, improving proficiency in semantic HTML, CSS styling, and responsive layout techniques.

TravelEase – Java-Based Travel Booking System

A Console-Based Application for Trip Booking

- Designed and implemented a modular travel booking system with Java packages for user management, destinations, and booking services.
- Enabled users to view destinations, book trips based on wallet balance, and manage bookings using OOP concepts and Java collections.
- Applied exception handling, data validation, and user interaction through console I/O to ensure a seamless and interactive experience.

CERTIFICATES

- Google IT Automation with Python [↗](#)
- Java Programming Certification [↗](#)
- ServiceNow Certified System Administrator (CSA) [↗](#)
